

Every year our funds dip to a critically low level. In order to support our students in their extensive and rigorous course of study and to continue valuable programs in Tucson, such as the annual Town and Gown Lecture and the Summer Lecture Series, we depend on your support.

Your gift will effectively help Professors Ute Lotz-Heumann and Beth Plummer in their two-fold effort to train the next generation of university educators and to share the fruits of scholarly research with the Tucson community. Each gift is appreciated!
